

Connections That Matter

Everyone wants to live here. But Central Texas is facing a cost of living crisis. In fact, one in five households in our community is considered low-income. At United Way for Greater Austin, we're helping everyone access the resources they need to thrive.

Connecting the Data Dots

Our innovative 2-1-1 Data Dashboard provides real-time snapshots of gaps in social, economic, and workforce supports throughout our region. We know what may keep parents from maintaining a job, which zip codes have food shortages, and neighborhoods that don't have access to health care.
